We're celebrating Parks and Recreation Month! During the month of July, we'll highlight some of our Parks and Recreation Staff as the month progresses.

Today, we spotlight **Jeanette Rodriguez, Senior Center Manager**.

How long have you been with the City of Duncanville? I've been with the City of Duncanville for 12 years.

What do you like about Parks and Recreation?
I've enjoyed working for this department because of the seniors. Every senior is like family to me, and I embrace the love they have to offer along with every story they have to tell. I am blessed to be around so many wonderful people daily.

Is there anything you would like to share with us? Do you have any hobbies? I love all music and enjoy dancing.

This Park and Recreation Month, we are celebrating the vital role park and recreation professionals play in bringing people together, providing essential services and fostering the growth of our communities.
